

Special Release Policy

Effective March 1, 2024

At Old Forester Distilling Co, our goal is to afford the greatest number of Old Forester fans the opportunity to purchase our premium products while creating a release plan that is as fair and as equitable as possible. As of March 1, the below will be in effect.

Gift Shop Releases

Distillery special releases will not always be announced and products will be available in the gift shop on random days and at random times. Purchases of ANY special release will be limited to **ONE** bottle or bottle set, per guest per day (the one bottle limit excludes a gift shop offering or experience where multiple bottles of premium products may be sold together as part of a package). This includes bottles sold in the gift shop through in-store releases and through consumer sweeps along with bottles that may be made available with the purchase of distillery experiences. Must be at least 21 years of age and provide a valid government photo ID with proof of age. Special Releases may be purchased via credit card only and the name on the credit card **MUST** match the name on the ID. Digital wallet payments will be accepted (Apple Pay, Google Pay, Samsung Pay, etc.) as long as the card holder's name is shown and matches the provided ID. If premium bottles are offered as part of an experience (tour, tasting, class), the individual's name used to make the reservation, must be the same individual to participate in the experience and make the purchase. Tour/tasting experiences may not be offered to another individual after the booking is made.

Old Forester Brand Special Releases

Brand Special releases consist of annual releases and any new introductory Old Forester expression. To stay informed of any new brand releases at the distillery, please subscribe at <https://www.oldforester.com/subscribe/>

Special Releases include, but are not limited to: Old Forester Birthday Bourbon, President's Choice Single Barrels, 117 Distillery Series & Whiskey Row 1924.
